BRAVO Stock No. 541 and *542

* Stock 542 is a stocked items. Other can be special ordered. Much like our PVC sheets, these products are strong, durable and a beautiful white that hold up to the most harsh conditions. Also water proof, tear proof and smudge resistant - Teslin™ is a lighter weight product. This is a point to consider if shipping cost is an issue.

Available in the following sizes:

12 x 18 (Quantity per Carton - 500)

Tested to run on:

RICOH

Kodak

Canon
